

To whom it may concern,

I am writing on behalf of your student who has the unique opportunity to attend the 2025 Ocala International Horse Show (OIHS) at the World Equestrian Center in Ocala, Florida.

For five years strong, the Ocala International Horse Show has represented the pinnacle of achievement in the show horse industry.

OIHS encompasses riders, owners, trainers and exhibitors from all parts of the United States, Canada, and abroad.

The Ocala International Horse Show is held from October 21-25, 2025 and is regulated by the United Professional Horsemen's Association and the United States Equestrian Federation. OIHS is licensed to the Ocala International Horse Show, a 501(C)(3) tax-exempt organization whose mission is to foster national amateur sports competition; while supporting OIHS educational programs and services, and other charitable organizations.

As the Executive Director of OIHS, I have had the opportunity to view firsthand the chance these athletes must achieve excellence and practice good sportsmanship. It is a wonderful learning experience. We anticipate over 1,000 entries during OIHS 2025, with over 700 horses and exhibitors traveling across the country to participate at the most-prestigious venue, World Equestrian Center-Ocala.

I hope you will support your students' desire to participate in such a high level of competition.

Please feel free to contact me for further information.

Warm regards,

Lark René Henry
